**ORDER NO. 3
GRANTING MOTIONS TO INTERVENE**

This Order addresses the Office of Public Utility Counsel's motion to intervene filed on July 17, 2019 and Texas Industrial Energy Consumers' motion to intervene filed on July 19, 2019.

Under PURA¹ § 13.003, OPUC is authorized to intervene as a matter of right in this proceeding to represent residential and small commercial consumers in Southwestern Electric Power Company's service territory. No objection to the motion to intervene was filed.

TIEC stated it is an association of industrial consumers of electricity whose member companies own and operate industrial facilities in SWEPCO's service territory and will be impacted by any determinations the Commission may make regarding the application. TIEC appears to have a justiciable interest in this proceeding. No objection to the motion to intervene was filed.

The administrative law judge grants the motions to intervene.
